Thou knowest all---I cannot see;
I trust I shall not live in vain.
I know that we shall meet again,
In some divine eternity.
The True Knowledge, Oscar Wilde

As we bid farewell to this chapter of our lives, we find that the years have been rich in experience and preparation for that which is to come.

The pages of this book contain many wonderful memories captured by the camera. Wherever we go and whatever we do, we may always turn back the pages of this book and relive many pleasant moments.

Though we must now part and go our separate ways, someday we shall meet again. And when we meet, I hope that we will find that our lives have not been lived in vain, and that we have been a credit to those who molded our futures.
